§ 376.1 Purpose.

Under the authority vested in the Secretary of Defense by Title 10, United States Code, this part:

(5) Receive manpower, operational funding, and other administrative support from the DoD Component in which the DSA is located.

A DSA shall be established in accordance with this part when it is the most efficient and effective organizational alternative for accomplishing essential technical and/or analytical support functions for an OSD Principal Staff Assistant, and shall be organized and staffed in a manner that permits the effective accomplishment of assigned responsibilities with a minimum number of personnel. To provide a framework for implementing this policy, the Director of Administration and Management shall maintain:

(a) A DoD-wide definition and criteria for DSAs.

(b) An approved list of DSAs.

(c) A procedure for establishing, disestablishing, and modifying the organization of a DSA(s).

Increases that would add to the overall funding level of the separate DSA budget line in the O&M Defense Agencies Appropriation are subject to fund availability, and shall be addressed through the normal budget process.

(3) Maintain, monitor, and revise, as necessary, the official list of DSAs in appendix A to this part.

(4) Conduct periodic reviews to evaluate the continuing requirement for existing DSAs, and to ensure that the DoD components are accounting for DSAs in accordance with this part.

(d) The OSD Principal Staff Assistants shall:
